From the Relieving Principal

Ms Banks and the schools elected leaders Amy, Kai, Georgia and Max attended the Remembrance Day service in Nimbin today and laid a wreath on behalf of the staff and students of Coffee Camp Public School. On the 11th hour on the 11th day of the 11th month, a minutes’ silence is observed and dedicated to those soldiers who died fighting to protect the nation. In Australia and other allied countries, including New Zealand, Canada and the United States. The 11th November was known as Armistice Day – a day to remember those who died in World War I. The day continues to be commemorated in Allied countries.

After World War II, the Australian Government agreed to the United Kingdom’s proposal that Armistice Day be renamed Remembrance Day to commemorate those who were killed in both World Wars. Remembrance Day is a day of special significance to all Australians, commemorating the loss of Australian lives in all wars, conflicts and peace operations.

… at the going down of the sun and in the morning we will remember then … Lest we forget

Australia is commemorating the Anzac Centenary, marking 100 years since our nation’s involvement in the First World War. Information about the Anzac Centenary is available at http://www.anzaccenntenary.gov.au.

Desley Banks

Awards

Awards and medals are presented at our assemblies on Fridays. Parents are welcome to attend.

K – Luano – for working very hard in writing
1 – Ivy – for writing an interesting story about a dream
3 – Liam – for being a conscientious learner while working on his reading skills
4 – Kai C-W – for being a gentleman in the playground
5 – Michaela – for always producing neat and concise work
5 – Agathe – for always producing neat and concise work
6 – Luka – for being a quiet and conscientious learner, going with the flow and completing all set tasks

- Yoghurt - $1.20
- Fruit juice in a cup – 50c
- Smooze ice block – 80c (Please note price rise for Smooze)

10 Evidence Based Principles of Effective Teaching

Principle 6: Give your students feedback

Effective teachers give students dollops of feedback. This feedback tells students how they are going and gives them information about how they could improve. Without feedback students are likely to continue holding misconceptions and making errors. Feedback allows students to adjust their understanding and efforts before it is too late.
Bus Safety – Parent Information

Travelling safely on a bus does not end when you step off the bus. Care must also be taken before and after riding the bus, which is when most casualties occur. Talking with your child about safe behaviour in traffic areas on a regular basis can build their confidence and help them to feel secure. One of the best ways to keep your child safe is to practise how to cross the road safely especially before boarding and after leaving the bus.

Please make sure your child understands the safety procedure below:

- **WAIT** on the footpath until the bus has been driven away and then choose the safest place to cross.
- **WATCH** until there is no traffic or the traffic has stopped.
- **WALK** across the road, turning your head both ways to look and listen for traffic.

Other ways you can assist your child to become a safer bus traveller include:
- Arrange for an adult to accompany your child to and from the bus stop.
- Wait for your child on the same side of the road as the stopping bus.
- Never call for your child to cross the road to meet you.
- Discuss what to do should your child miss the bus or catch the wrong one.

Important tips for your child on the bus:
- Always wait until the bus has completely stopped before walking towards the bus.
- Always sit quietly on the bus as noise can distract the driver.
- Always wait until the bus has left before crossing the road.

**National Recycling Week - 9-15th November**

**Coffee Camp is a Waste Wise School** Our participation in the Lismore City Council’s Waste Wise Challenge for Schools has improved recycling at our school by educating students to use our new 4 bin system. This has greatly reduced the rubbish we send to landfill each week. We have earned a $250 voucher to be redeemed as mulch or compost for the school gardens.

**What can I recycle?** Are you sometimes confused about what to put in each bin. National Recycling week is a good time to find out. You can visit the Northern Rivers Waste website at http://www.northernriverswaste.com.au/cp_themes/default/home.asp and download a fantastic booklet which should answer all your questions. Below is a copy of the recycling page.

**Recovery Satchel Items**

If you don’t have your own Recovery Satchel you can send household batteries, mobile phones, printer cartridges, wine corks, reading glasses, CDs + DVDs, and x-rays to school to be recycled in our recovery satchels.
Students held a Garage Sale to raise funds for school camp. Students brought in clothes, toys, games, and lots and lots of goodies such as popcorn and cupcakes. Students had a great time bartering for, and selling items to each other. This was a great lesson in counting money, and customer service skills.

This week in Rock and Water students from year 5/6 participated in an activity named ‘Hands and Feet’. Throughout this activity students had to be cooperative, be a clear communicator, and use team work skills to beat other teams in displaying the correct amount of hands and feet on the ground at any one time.
